The Global Elimination Programme for PCBs (GEP-PCB)

\$ USD 206.8 million

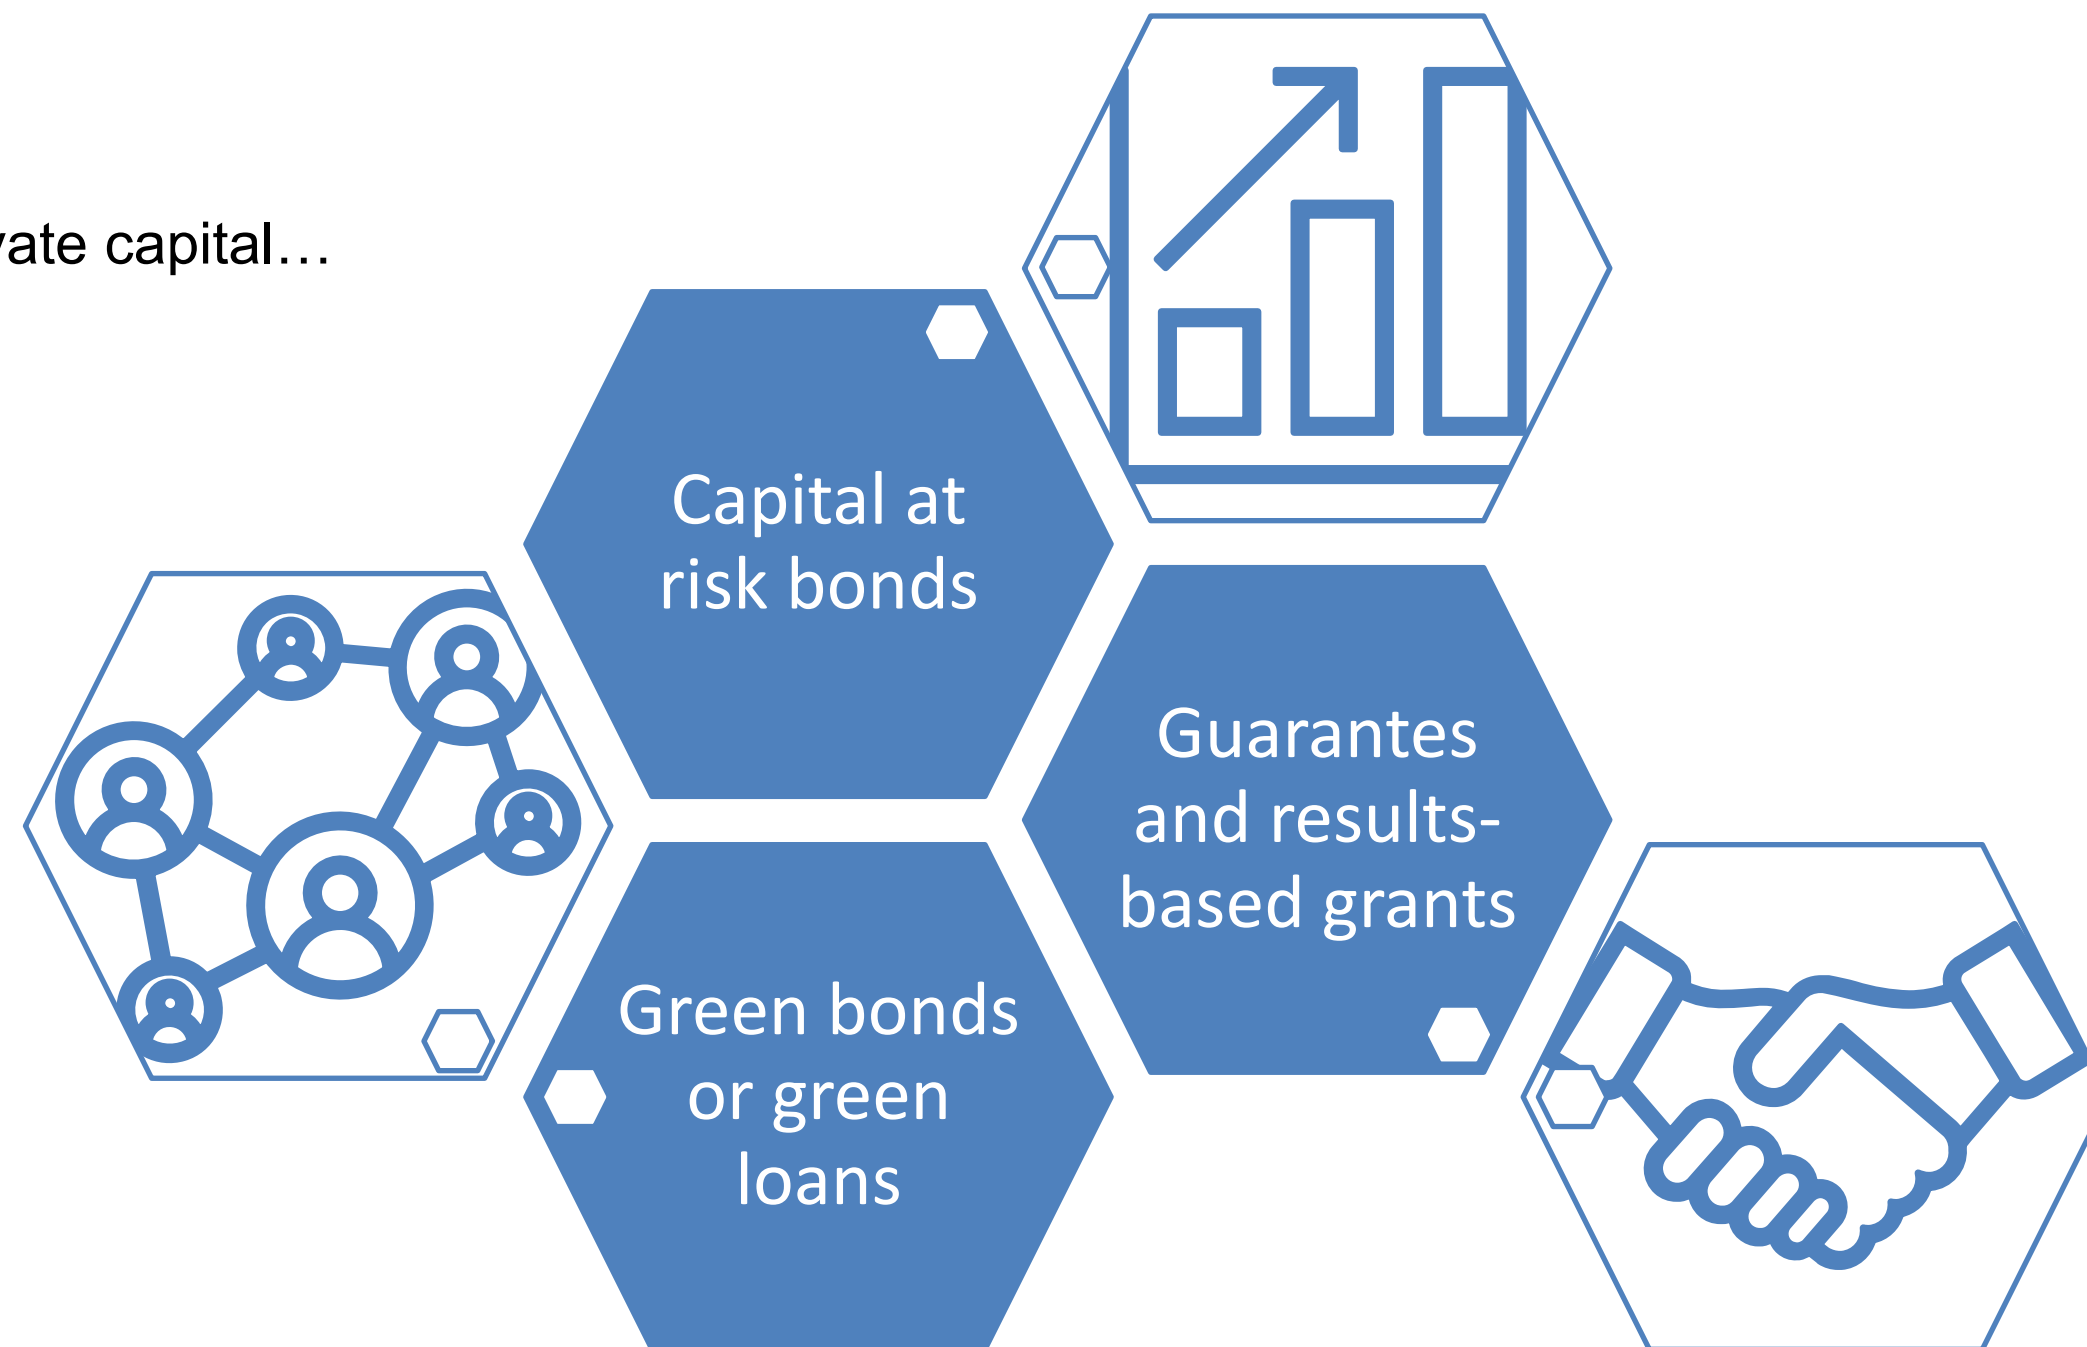

- ✓ Combines GEF grants for disposal with MDB loans
- ✓ Global coordination framework
- ✓ Cost-effective
- ✓ Designed to be scaled-up

GEF-8 and GEF-9 ?

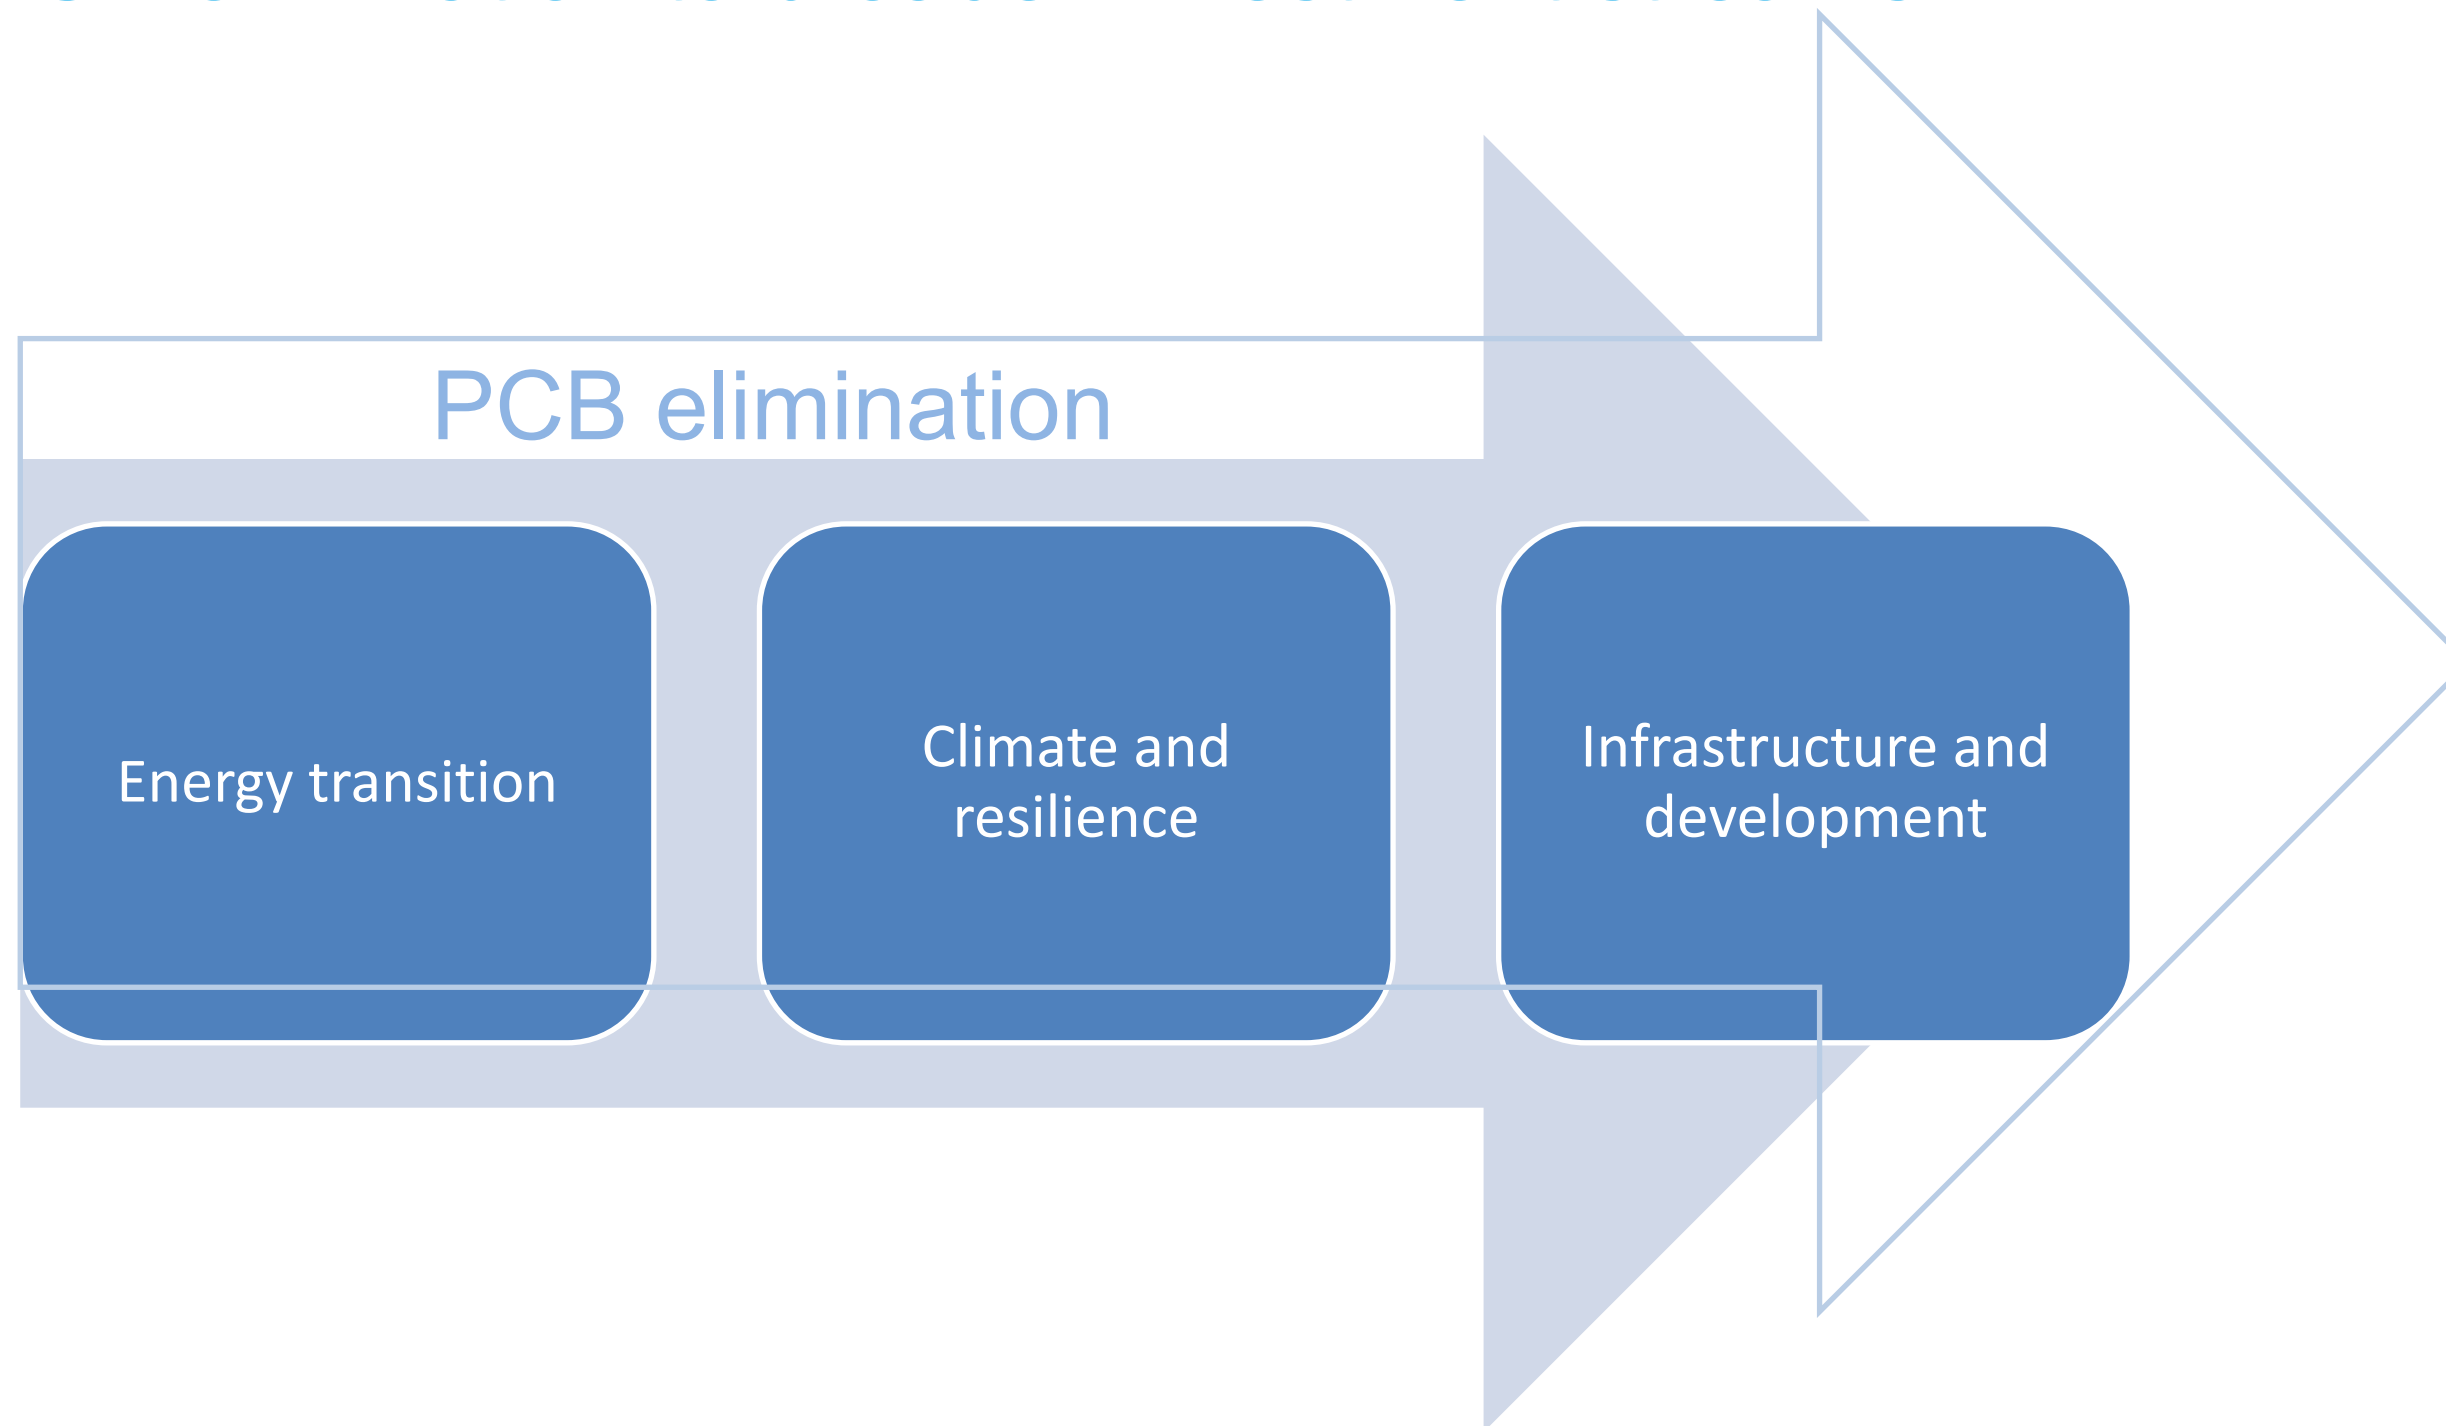

Blended finance and capital market instruments

Tapping into private capital...

Linking PCB elimination to broader investment streams

What countries can do

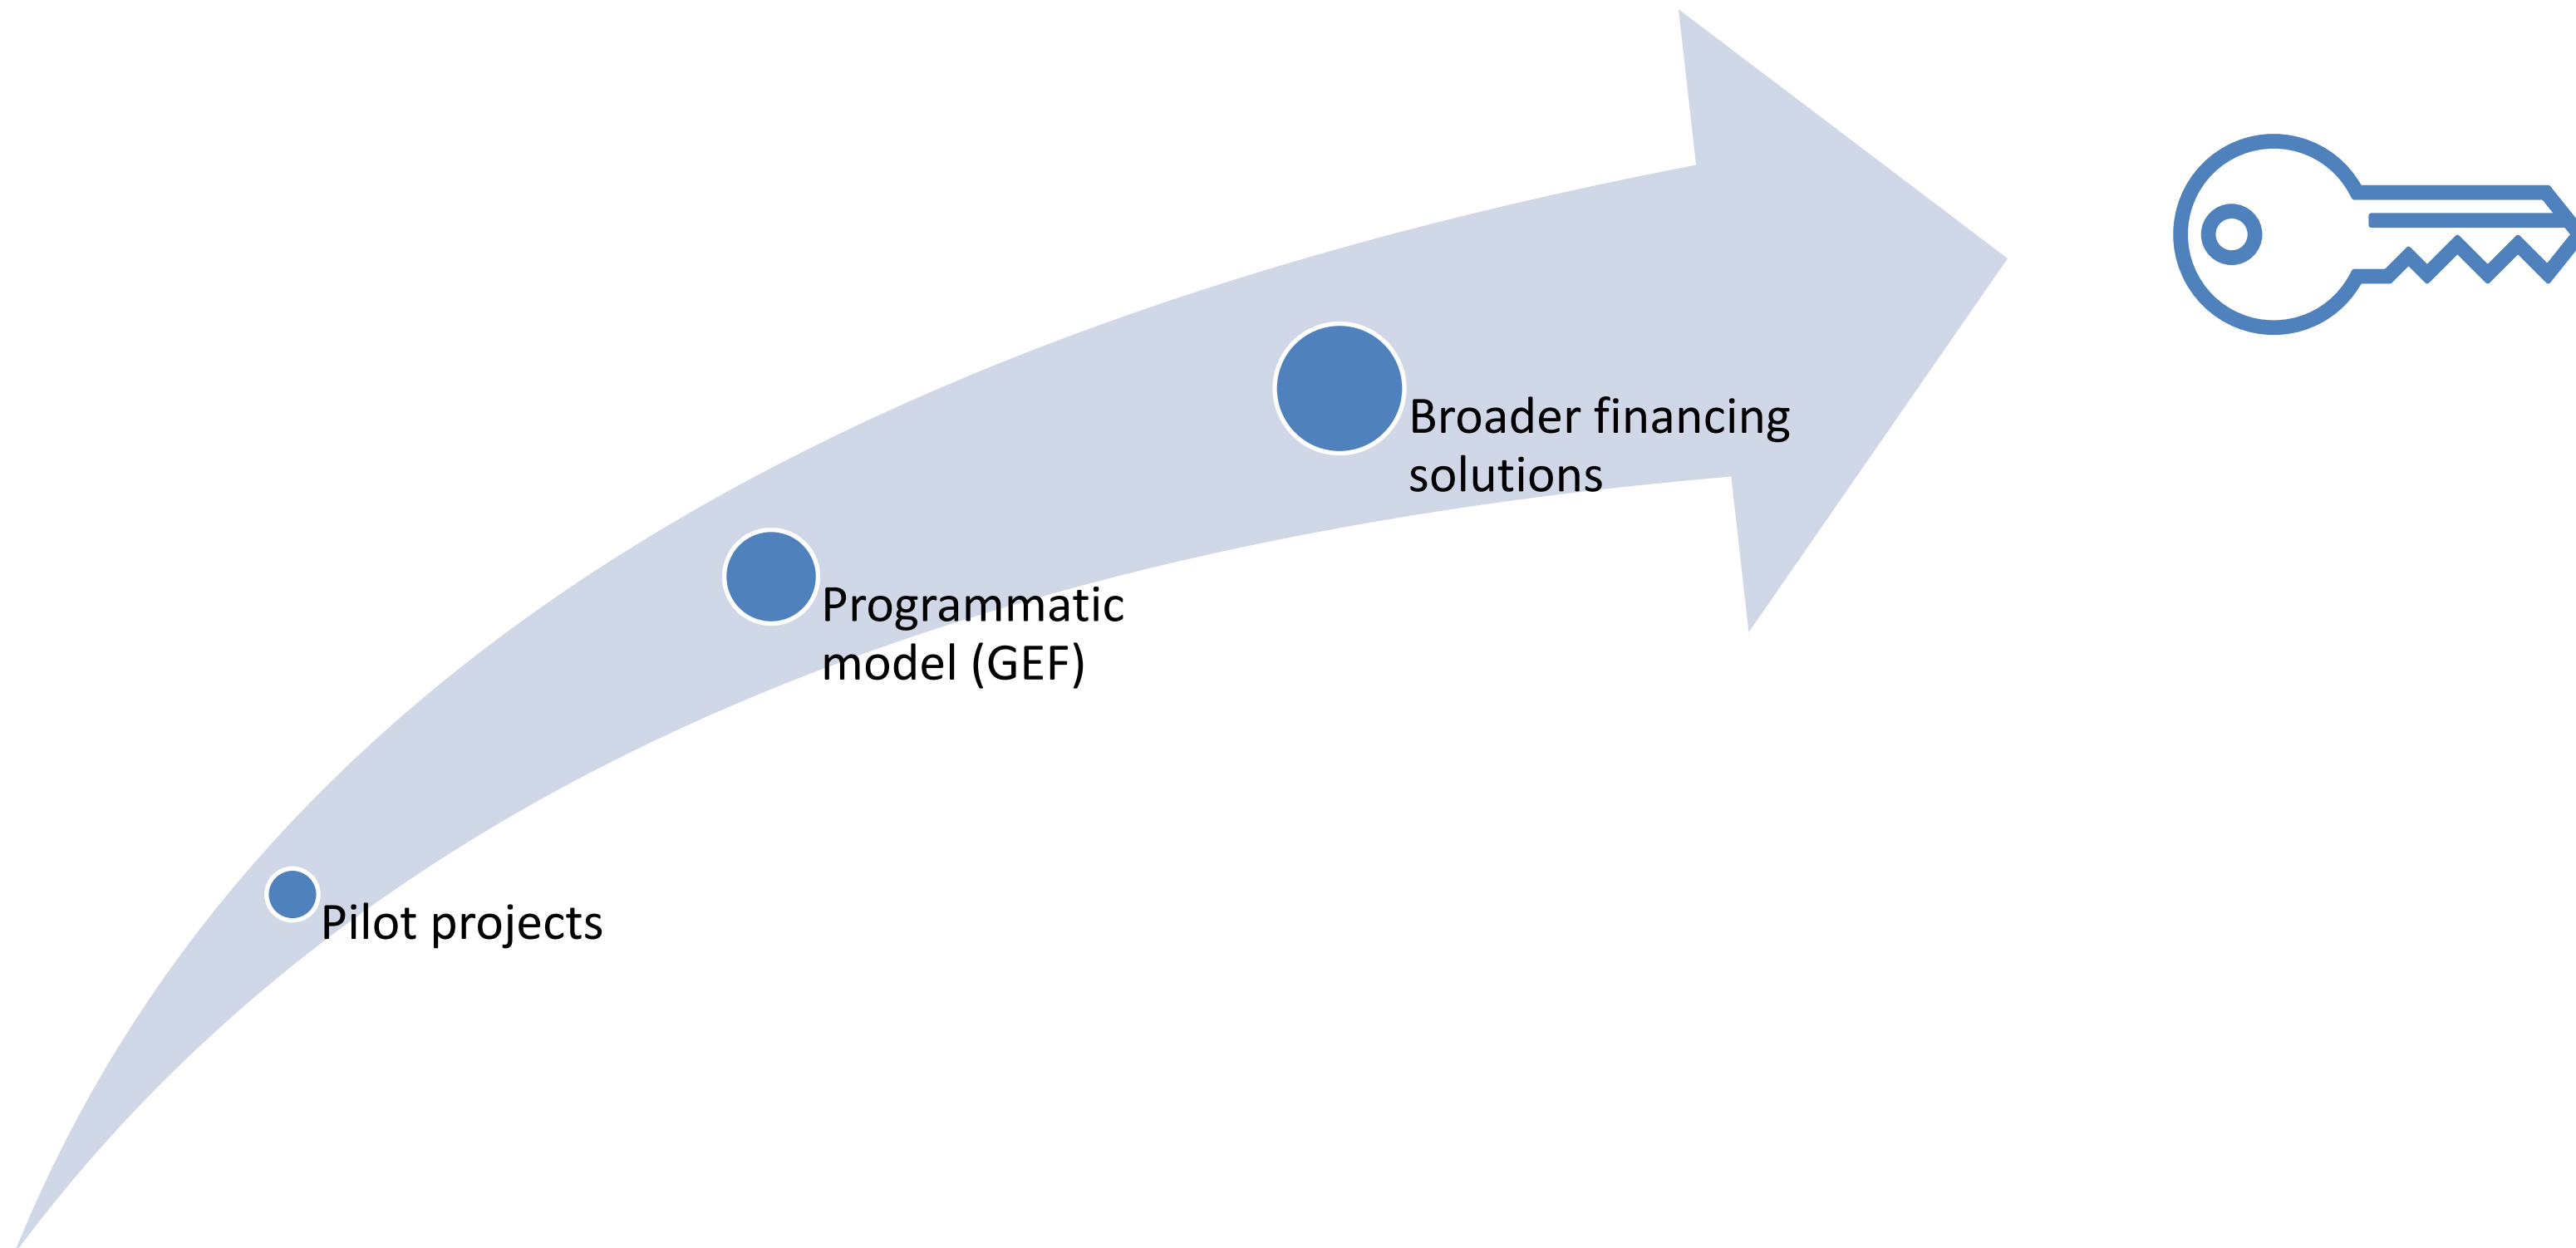

- Update and validate PCB inventories
- Develop, update and implement NIPs
- Include PCB elimination into national plans
- Regulate and enforce legislation
- Engage with Multilateral Development Banks
- Submit Expression of Interest
